THE COURSE

BUILT ON CHRIST, THE SURE FOUNDATION

"Believing in Jesus Christ is the most excellent decision a person can ever make — and that's just the beginning."

Strong Foundations is a warm, clear, and Scripture-saturated course for anyone who wants to build their life on solid ground. Whether you are a brand-new believer or you've walked with the Lord for years, it takes you back to the essentials of the faith and makes sure what you believe is the whole truth.

Written from the heart of CMM College of Theology and drawn from the book *New Foundations*, each chapter pairs plain-spoken teaching with Bible verses, reflective questions, and prayers — so truth travels **from the head, to the heart, and into the world.**

"For no one can lay any foundation other than the one we already have — Jesus Christ."
— 1 Corinthians 3:11
