From the President

.We are thankful you are here. We ask the Lord to send us those he desires to be a part of the most exciting adventure of growing strong in the faith and His Word, the Bible. We take seriously your desire to make your life count as you serve the Lord God with all your heart, soul, and strength. Our heart's desire is to partner with God to provide active pathways to Biblical wisdom and proficiency in order to fulfill the Great Commission. CMM College of Theology is reaching the world with the Father's love, the living Word-Jesus, led by the Holy Spirit to transform lives and nations.

We offer accredited degrees through our online classes worldwide. CMM College of Theology is an interdenominational ministry equipping many who hunger for the love of God through Jesus Christ. CMM College of Theology is founded to provide a solid foundation in God's word and faith. We are excited to bring solid Biblical principles to leaders and individuals who serve in ministry, the arts, education, business, and government. We offer quality, anointed, and spirit-led, theological training by our professionally trained staff that will help you fulfill the destiny the Lord ordained for you from before time began.

The Bible says, "My sheep know my voice..." in John 10:27. It will become increasingly critical for us to know the voice of the Shepherd speaking through the Holy Spirit, and His word, which always confirms what the Spirit speaks.

At CMM College of Theology, we desire that you will learn to live in awe of the majesty and sovereignty of God and the love that God has for us through Jesus Christ, our Savior. As you succeed and grow in the depth of understanding of the word of God, you will see opportunities to transform society in your culture and journey. Great joy comes as you grow in revelation of the Bible and gain clarity and direction from Holy Spirit as you learn from anointed prophetic impartation and instruction by staff teachers as well as from well-known guest speakers and authors.

You have a God-given destiny ahead of you, Psalm 139:16. Go forth, strong in the Word, strong in faith, and strong in the power of the Holy Spirit. We look forward to your advancing education and completion of why you were born. We are grateful that you are considering to being a part of the most exciting adventure of all: a life of faith, study, and obeying God.

CMM Theology Mission and Vision

OUR MISSION and VISION

CMM College of Theology is committed to encourage our students who want to grow in passion and hunger through intimacy with the Lord, learn to think and study in fresh ways, so that they can fulfill their destiny and build the kingdom of God in the sphere of influence in which they are called. We endeavor to build, edify, and encourage through thought-provoking work to develop depth, authority, and revelation connecting students first to the Lord and then to the people around them for the increase of the kingdom of God. (Ephesians 4:11-13)

"From the head to the heart and into the world."

Associates of Ministry in Biblical studies Goal

God, Bible, and you. To understand and hear God in scriptures and daily life, to find greater freedom from bondage and religion, and to put Christian principles in place, including feasts and God's timetable and identity in Christ.

Bachelor of Ministry in Biblical studies Goal

To gain deeper insight into God's character in OT and how that applies in developing our character, to hear God in scripture and daily life more clearly, and to gain a deeper understanding of prayer, finances and how God sees it, the feasts and God's timetable.

Master of Ministry Goal

To help the student better understand the prophets in the Bible through the Spirit of God, in their timeline; to see current prophets and gain a heart of discernment and maturity in personally hearing God to bring into existence what God wants to create as a final project. All set in an environment for the student to gain deeper insight for a life of ministry, whether in a secular job or an actual ministry position.

Master of Theology Goal

To understand Biblical principles and its history in a life-giving way that can be applied to the future, helping students clarify God's plan and their place in the coming harvest through revelatory theology in the Word of God and by His Spirit. Students then prepare and teach throughout the world as an advanced practicum.

Master of Divinity Goal

We build upon the previous master programs to add language and a pastoral component for a well-rounded curriculum to prepare the student for a more significant impact.

Doctoral of Ministry Goal

For the doctoral candidate to present themselves before the Lord to better understand their contribution to the **body of Christ**. Then to be able to express some part of the whole through a dissertation leading to a book.

Doctor of Theology Goal

For the doctoral candidate to present themselves before the Lord to better understand their contribution to humanity and then to be able to express some part of the whole through a dissertation leading to a book.

CMM College of Theology

We showcase four distinctive that set us apart from other schools.

And Christ Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ, until we all come to the unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ.
Ephesians 4:11-13.

CMM College of Theology strives to pioneer transformational theological ministry training with revelatory study in a hybrid classroom setting. The School of Theology aims to teach fundamental truths of the faith with revelation that prepares students to disciple the world in Spirit and Truth.

DISTINCTIVES

1. **Study the Word of God:** We encourage students to engage with Holy Spirit the Revealer to gain a heart of wisdom, revelation and to better understand the character of God, which can help shape the character of the student.

OUTCOME: We see students transformed in *their hearts* as they write what speaks to them.

2. **Look to Jesus and honor those who have gone before us:** The Body of Christ has a significant amount of teaching and information available. Many well-known and little-known scholars who have gone before us have dug wells of revelation that we are still drinking from today.

One of CMM College of Theology's goals is to understand and taste of those wells and not negate their importance to the contribution they have made to humanity and the Body of Christ. We encourage students to analyze and synthesize the information, with Holy Spirit against the Word of God so that graduates are not afraid to face hard questions, schools of thought or ideas outside their comfort zone. We believe that critical thinking with Holy Spirit is crucial in these times. **We then encourage students to dig their own well of revelation** in a safe environment, to help them find their contribution to the Kingdom that was set before the foundations of the earth.

OUTCOME: We see students transformed in their *understanding and knowledge* as they compare what the Bible says and what scholars say.

3. **Friendship Learning/Discussions:** Our students' study and prepare for class. They invest and then share during class discussions. This style of learning is a classical Hebrew type of learning called Chavrusa, also spelled chavruta or hehavruta (Aramaic: חֲבֵרֻתָא, lit. "friendship" or "companionship").

Chavrusa-style learning puts each student in the position to analyze the text, organize thoughts into logical arguments, explain, reason, hear the other students, question and sharpen each other's ideas, often arriving at entirely new insights into the meaning of the text.¹ Our trained instructors facilitate discussions with Holy Spirit to encourage students to clarify their thought process.

OUTCOME: We see students transformed by *wisdom* as they hear others and grow from the experience.

4. **Discovering your path to a fruitful, victorious life:** Many students come to our school hungry to seek out their purpose, to 'walk out their salvation, and live in the fullness, that the Bible says is ours. Students discover the path the Lord designed for them as we take these students into the throne room while learning to hear the Holy Spirit and grow in discernment.

OUTCOME: We see students transformed by *counsel* as they allow the fullness of the process to lead them to the destiny of good works prepared for ahead of time. (Eph. 2:10). Our professors share our desire to ignite a deep hunger for the Lord in a rare and transformative way, not found in any school globally. Our staff has earned the trust and respect of hundreds of our students, and many develop lifetime relationships with our team.

STATEMENT OF BELIEFS

The following is a statement of our position of basic Christian doctrines. As once stated by a great missionary, "There are certain basic Christian truths about which there must be agreement. On all other doctrines, there should be liberty. In all things, there must be charity." We resolve to take an uncompromising stand on the essential doctrines of the faith and extend "the right hand of fellowship" to all who hold to them. It is also our resolution to protect the liberty of Christians to hold different perspectives on the "non-essential" doctrines.

There are doctrines we may consider non-essential, but which are essential. We, therefore, make known our belief on these, while presenting them with tolerance toward those who may hold a different position. We are committed to truth and accuracy in doctrine, but also understand that one can hold right doctrines and still do damage to the body of Christ by causing divisions over the non-essentials. We are, therefore, just as committed to the essential Christian character, believing that "In all things, there must be charity." As the apostle stated, "The goal of our instruction is love, from a pure heart and a sincere faith" (I Timothy 1:5). That, too, is our goal and commitment as we promote the following teachings that we hold as truth:

On the Person of Jesus

There is only one true God, who is revealed in three persons: Father, Son, and Holy Spirit. Jesus Christ is the Word (Logos) of God. The Word was with God in the beginning, which states His pre-existence as one with God. "By Him, all things were created, both in the heavens and on earth" (Colossians 1:16), therefore making Jesus the Creator. Jesus Christ is the Purpose of God found in all of creation. He is the Father's delight and desire, and the Father is looking for the reflection of His Son in all created things. Jesus is the Alpha and the Omega, the Beginning and the End. In the beginning, it was the ultimate purpose of God for all things to be summed up in Christ (Ephesians 1:10).

Jesus Christ, who pre-existed with God in the form of God, emptied Himself to become fully a man that He might be the propitiatory sacrifice for the sins of mankind. Through His propitiatory sacrifice made on the cross, all who believe in Him and His sacrifice have their sins remitted and are restored to the fellowship with God lost by man's transgression.

Jesus was born of a virgin, by the seed of the Holy Spirit. His virgin birth is a testimony that only the Spirit can beget that which is Spirit. Those of the new creation are not solely of human origin but are born from above by the Holy Spirit. The resurrection of Jesus' physical body after His crucifixion was literal, as will be the resurrection of both the just and the unjust on the Day of Judgment.

"There is one God, and one mediator also between God and men, the man Christ Jesus" (I Timothy 2:5). All who seek restoration and fellowship with God must go through Jesus and cannot approach God through any person, spirit, or doctrine. It is also a supreme presumption for any person or institution to seek to be a mediator for others in place of Christ Jesus Himself.

The apostolic commission was for His followers to labor until Christ was formed in His church, to present every person complete in Christ, and to manifest the sweet aroma of the knowledge of Him in every place. When Jesus is lifted up, He will draw all people to Himself. We consider it the primary purpose of the church to esteem and exalt Jesus in every way. It is the focus and devotion of CM Missions to know and preach Him, and not ourselves. We pray for the grace to continually respond to His call to return to our first Love, that we might passionately devote ourselves to pleasing Him in all things while preparing for His return.

The following is a statement of our position of basic Christian doctrines. As once stated by a great missionary, "There are certain basic Christian truths about which there must be agreement. On all other doctrines, there should be liberty. In all things, there must be charity." We resolve to take an uncompromising stand on the essential doctrines of the faith and extend "the right hand of fellowship" to all who hold to them. *For our complete statement see:* <http://cmmtheology.org/statement-of-faith/>

CMM COLLEGE OF THEOLOGY ADMINISTRATIVE POLICIES

Our Program Basis

We have abbreviated our requirements for graduate and postgraduate degrees in an effort to hold the tuition to a minimum and allow busy ministers and working students every opportunity for higher Spirit-filled, prophetic, Christian education. It is the desire CMM College of Theology to mix the Word with the Spirit out of a deep well of the rich prophetic heritage that CMM offers. Each year is a complete package for the degree.

Curriculum and Reference Material

The CMM College of Theology seeks to offer the highest quality curriculum and reference materials. Resources are subject to change at the discretion of our faculty leaders. Not all subjects are taught every year.

Student and Faculty Nondiscrimination Policy

The CMM College of Theology admits students of all races, color national and ethnic origin with all rights, privileges, programs, and activates made available to students of CMM College of Theology. CMM College of Theology does not discriminate based on race, color, national, or ethical origin in administration of its policies, loan policies, or other school-administered programs.

Statement Standards-Code of Conduct

All students are required to give a testimony of having accepted Jesus Christ as their personal Savior and Lord. Each student is expected to conduct himself/herself in a manner that will, at no time, bring reproach upon our Savior or CMM.

Accreditation

If the sole purpose of needing an education is for the Gospel ministry or related field within Christian ministry, secular accreditation is not necessary or required. All Christian churches accept quality Christian education regardless of which accreditation group, if any of the referenced institutions belong. If study is for purpose other than ministry, such as business administrator, engineer, lawyer etc., Students should apply to an institution that belongs to a regional accrediting association. In secular education, regional accreditation is essential! For education of those in Christian service, secular accreditation does little more than typically make the tuition beyond the reach of most ministers.

CMM College of Theology provides associate, bachelor, master, and doctor degrees. We have been able to secure full accreditation through private ministry accreditation to keep tuition cost at a minimum.

The Association of Independent Christian Colleges and Seminaries, inquiries please write: Association of Independent Christian Colleges and Seminaries, 4617 Briargate DR, St Charles, MO 63304, info@aiccs.org, Tel: (636) 922-1810

South Carolina Exemption Status

We hold an exempt status with the state of South Carolina as our degrees are ministry degrees and not a liberal art.

The South Carolina Commission on Higher Education is the licensing authority for private postsecondary education under the provisions of the Nonpublic Postsecondary Institution License Act, Chapter 58 of Title 59, South Carolina Code of Laws, 1976, as amended. Section 59-58-30 of the law states that the definition

of a “nonpublic educational institution” does not include “(4) Institutions whose sole purpose is religious or theological training.”

Definition of credit hour

CMM meets the necessary standard requirement regarding the number of classroom hours or the equivalent per earned credit hour. We maintain 15 classroom hours to equal one semester hour through reverse classroom experience. Students will work outside of class and then attend online discussions.

Requirements for Admission

- Students must be 18 years of age or older and profess Christ as Lord.

To consider your application for admission, the following is to be understood and submitted

- Students must have a high school diploma or equivalent.
- All materials must be in English.
- Submit your official application for admission online at <https://CMMtheology.org>
- You must be proficient in the English language and have a minimum TOEFL score of 70 on the internet-based test, or 523 on the paper-based test.

Honorary Degree

Honorary degrees are only awarded by CMM College of Theology through rare and exceptional service and work in the Kingdom of God. The body of work and life of the person are considered in such matters. This being said, is a consideration of the current and past work and writings, not future life choices or changes that may occur.

Potential students may submit requests to the President or Dean. However, the President reserves the right to accept or deny the request. We have refused far more than we have approved. CMM College of Theology is not generous with this particular degree as only a few have earned it. The majority of our doctoral degrees are students that complete the full program. This is a very honorable degree and should be treated as such.

Transferred Credits

CMM College of Theology reserves the right to allow credits earned at other institutions for similar courses taken at that institution. If credit is awarded, the candidate will be assessed \$2.00 per credit hour. These hours may not exceed 60% of the required hours for graduation from CMM College of Theology.

Graduation

To graduate, students will have completed the academic, attendance, and financial requirements for the year with excellence and godly character. Those who complete the first year with high distinction will be granted automatic admission into the next year. **High distinction:** *Completes all assignments with a 3.5 or higher; Paid tuition in full within the due dates; attends 90% of class and upholds the values of CMM.*

Grading Criteria

STUDENT GRIEVANCES

Informal Resolution

"If your brother sins against you, go and tell him his fault, between you and him alone. If he listens to you, you have gained your brother. But if he does not listen, take one or two others along with you, that every charge may be established by the evidence of two or three witnesses. If he refuses to listen to them, tell it to the church." We use the Biblical method of resolution according to Matthew 18:15-17

The student is strongly encouraged to discuss his or her grievance with the person alleged to have caused the problem. This discussion should be held as soon as the student first becomes aware of the act or condition that is the basis of the grievance. Additionally, or in the alternative, the student may wish to present his or her grievance in writing to the person alleged to have caused the grievance. In either case, the person alleged to have caused the grievance must respond to the student promptly, either orally or in writing.

Escalation of Grievance

If the student is not satisfied with the response, he or she may present the grievance in writing to the director of the department. Any such written grievance must be received by the Administrator not later than forty-five calendar days after the student first became aware of the facts which gave rise to the grievance. (If the grievance is against the director of a department, the student should address his or her grievance to the next level of authority. At this level, a fact-finding investigating should take place. Based upon the report of the information found, the Administrator shall make a determination and submit his or her decision in writing to the student and to the person alleged to have caused the grievance within ten calendar days of receipt of the report. The written determination shall include the reasons for the decision, shall indicate remedial action to be taken if any, and shall inform the student of rights to seek review by the Director.

Appeal Procedures

Within ten calendar days of receipt of the administrator's decision, a student who is not satisfied with the response of the administrator after the escalation may seek further review by submitting the written grievance, together with the administrator's written decision, to the Director.
