

Do you have a heart's desire to help the broken-hearted?

The courses in the doctorate degree will help you to learn about mental health issues, addictions, trauma, depression, and other maladies.

The Holy Spirit is the great counselor. A personal relationship with Jesus Christ is the foundation that these courses are built on. There are two levels of education offered at a 55 credit hour bachelor degree or a bachelor's level Christian counseling certificate.

Upon completion of the degree you are able to further your training with an online program developed by the NCCA. There is an additional tuition cost for the NCCA license. CMM is a Certified Academic Institute (CAI) with the NCCA. Both programs are accredited through AICCS.

It Is a New Day.

We welcome you to pray about earning a degree or certificate in Christian Counseling. The rewards are “out of this world.” To see the hope arise in the hurting is an amazing privilege. “The Spirit of the Lord is upon me, because the Lord has anointed me to preach good tidings to the captives, and the opening of the prison to those who are bound.” Isaiah 61:1

It is truly a blessing to learn how to integrate your faith into the protocols for the remediation of emotional pain and suffering as one navigates through life’s adventures. The weekly two hour Zoom classes are priceless. Class participation is an integral part of our school. As a counselor you may need to attain licensure in the state you wish to practice in. Each state has different laws.

You may choose to work in a church setting, private practice, ministering to individuals or groups. You will counsel with a spiritual perspective. Upon graduation we offer further educational opportunities. We have partnered with NCCA to provide you with an excellent education, and NCCA licensure opportunity. NCCA is a selfpaced, online learning format. CMM CAI director will be available for assistance. (Certified Academic Institute of NCCA) There is additional cost for the licensing through NCCA.

We see students transformed as they allow the fullness of the process to lead them to the destiny of good works prepared for ahead of time. “For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.” Ephesians 2:10

The Doctorate of Christian Counseling Degree is designed to equip you by combining faith with the principles of Psychology. You will grow in your understanding of humans being fearfully and wonderfully made.
